LINKO 700 SERIES

SMART ELECTRONIC LOCK - BRUSH STAINLESS STEEL

Brush Stainless Steel adopt a fully-body design with an elegant appearance combined with superior lock performance.

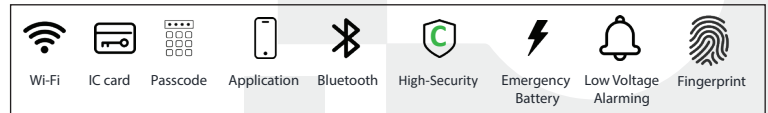

Features

- Stainless steel handles with self-lubricating long-life bearings.
- 3-Point steel latch construction with an anti-friction mechanism.
- Panic release function - the deadbolt and latch are automatically retracted by inside handle for easy regress in emergency situations.
- Long lasting Escutcheon and durable handle levers.
- Lock programming and audit records are not erased during battery replacement.
- Powered by four (4) AA batteries that provide up to 12-18 months normal life.
- Unlock with App, IC Cards, password, fingerprint and mechanical key.
- Check latest 6 months' operation records in App. Easy to install, less hole on the door.
- Insist emergency charge when the battery low power.
- Lock Case made of stainless steel, improve safety factor.
